ST. JOHN THE BAPTIST CATHOLIC SCHOOLS

## Community Building Program

A great opportunity to build community spirit within our school, parish and local community! Gives local businesses a great way to advertise and promote themselves.... and give families a day or night out!

### How it works:

- Select a date from a pre-determined list of dates with the community building coordinator. Typically we do our events on Wednesdays since school dismisses at 12:30.
- Business offers “regular” lunch, dinner, activities, etc. for customers. Can also do something special on day of event (i.e., lunch/dinner special, send out a mascot, large signage, etc. on day of event)
- Coordinator helps to communicate and advertise your business and what it offers on scheduled date. We do this through flyers, announcements and stickers.
- Families come to your business for a meal, activity, etc. Restaurants will typically offer their services through lunch and dinner hours (12:30 – closing).
- A great way for local businesses to “give back” and make a donation to our school usually between 10-20% of proceeds on the event day (OPTIONAL).
